

Asia Pacific Regional Collaboration Center of International Consortium of Universities for Drug Demand Reduction (AP RCC of ICUDDR)

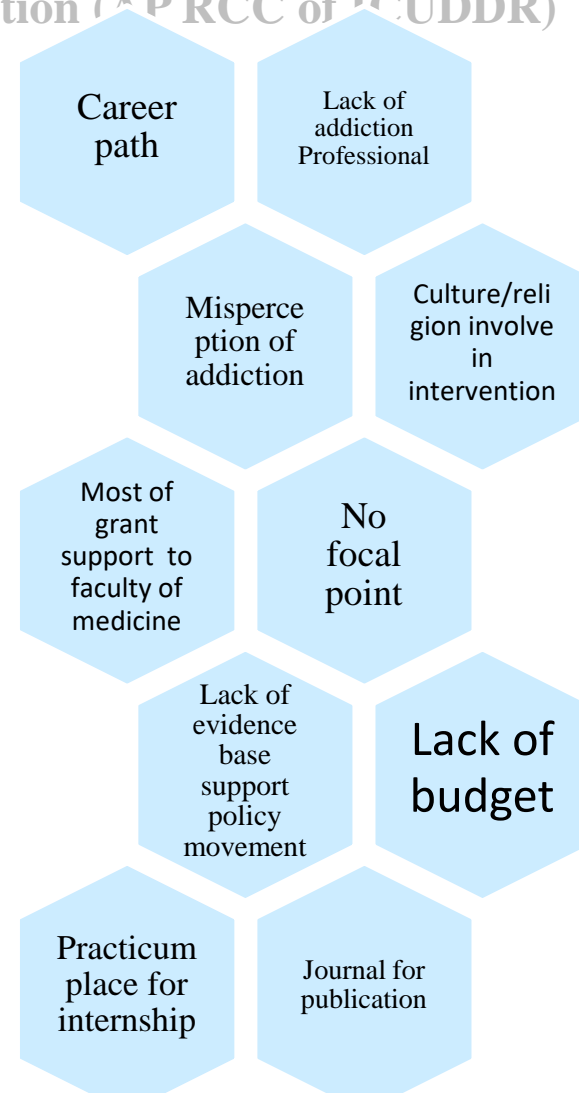

Presented by Dr. Prapapun Chucharoen, Ph.D. (Neuroscience)
Chair of AP RCC of ICUDDR

Asia Pacific Regional Collaboration Center of International Consortium of Universities for Drug Demand Reduction (APRCC of ICUDDR)

What are key issue in your region related to training in addiction studies?

Asia Pacific Regional Collaboration Center of International Consortium of Universities for Drug Demand Reduction (AP RCC of ICUDDR)

Strategies/next steps to address these issues

Create a career development plan for addiction professional employees

Career path

Lack of addiction Professional

Establishing Addiction Studies Program

Research approach is needed to inform evidence-based practice

Misperception of addiction

Culture/religion involve in intervention

Bridging culture implementation to treatment & prevention but design with plan/do/M/E

Most of grant support to faculty of medicine

No focal point

National/Regional networking

Research approach is needed to inform evidence-based practice

Lack of evidence base support policy movement

Lack of budget

MoU/MoA

Agreement for exchange staff/students/research fellow

Practicum place for internship

Journal for publication

Produce the Journal via scientific committee
